OFFICE OF THE EXECUTIVE
SECRETARIAL, USDA

1999 SEP 23 P 1:16

COPIES: _____

Secretary Dan Glickman
USDA
1400 Independence Ave., SW
Washington, D.C. 20250

Dear Secretary Glickman:

While we support a review of the approval process for biotech products in light of long-term environmental and health safety issues, we encourage you to support mandatory, rather than voluntary, industry labeling of foods containing genetically engineered ingredients. As **consumers**, we have the right to know and choose what is in our food, and companies should be required to inform us of all ingredients, transgenic or not.

Sincerely,

Janet Costello
Michael Costello
